To Whom It May Concern,

I would like to express my deepest gratitude to your law firm and especially Mr. Bose. You handled my case with great diligence and authority. As you may know I am currently on probation with a year and ten months hanging over my head, so being convicted of reckless driving would have had horrible consequences. But your law firm came through in the clutch and rendered me guilty of a minor speeding infraction. Which may seem bad to some but is most wonderful to me. Again I would like to thank you from the bottom of my heart.

Warmest regards,

Gentlemen,

I would like to take a moment and thank both of you gentlemen for taking the time to help me with my Reckless Driving case. While I did plead guilty to the lesser charge of "Improper Driving", I am extremely pleased and relieved with the fact that I did not get a class one misdemeanor criminal charge, 6 demerit points, and the 11 years on my driving record. I would also like to thank you for having extensive information about reckless driving on your web site. The content on the web site was the major reason for choosing the Bose Law Firm to represent me.

Thank You,

G Mr. Furlong~

Just a note to thank you again  
for the wonderful defense you provided for me  
at Fairfax County Traffic Court. I am absolutely  
convinced that your fabulous legal work made  
all the difference in this case! You saved  
me from a judgement that would have severely  
impacted my career and my life.  
Thanks again!

Hello:

After getting a traffic ticket for reckless driving, which I thought was very unjust, I decided to seek help in representation. After a quick Internet search, I came across the website of Bose Law Firm. Reviewing the website, I was very impressed with the Bose Law Firm's accomplishments and credentials - so I decided to go ahead and contact them. This was a mere week before my court date, and they accommodated every one of my requests without fail.

I am a Deaf individual, and they went above and beyond the call of duty to make sure I was comfortable in the court setting, and understood everything that was going on. With the help of Bose Law Firm, I got the charge reduced to Improper Driving - which was a outstanding result, considering the circumstances. I would highly recommend Bose Law Firm for any legal matters - especially for matters within traffic court. These two lawyers are very competent, confident and compassionate - three things every lawyer in Virginia should be.

Thank you, Bose!

Dear Attorney Furlong:

I would like to take a moment to personally thank you for the exemplary manner in which you handled my case.

I can recall a time not too long ago when I retained the services of Attorney [REDACTED] and was told that my best defense was to "strong arm" some sort of plea bargain from the prosecution. Just how Attorney [REDACTED] intended to go about doing that was left somewhat mysterious, and it became readily apparent that he was not inclined, nor do I believe capable of, mounting any type of trial defense on my behalf.

As luck would have it, a colleague of mine informed me that I should look into retaining the services of the Bose Law Firm. Following our initial consultation, it was clear to me that I needed you working on behalf.

The reason I am writing this letter is so that you not only know my gratitude, but hopefully others in your firm will know what a remarkable job you did in handling my trial. Despite several unanticipated factors that came into play, namely, the inaccurate testimony of the police officer and the calling of a prosecutorial witness, your continued confidence in the face of these events greatly encouraging.

It goes without saying that your performance in the courtroom was no less than spectacular – literally more than enough to secure my not guilty verdict. I must say that from the moment you began my defense, both I and others in the courtroom on my behalf felt that your confidence, abilities and style won the day. I can tell that what you did was no easy feat, and I must credit your efforts with saving me from an occurrence that could have otherwise been both personally and professionally ruining.

Again, many thanks for all your efforts.

Best Regards,
